### Refash

These intriguing pendant lights are handmade from leftover or discarded cardboard. The fixture that holds the pendant holder is made from old and discarded vinyl records (LP records).

₹ 1,650 to ₹ 1,950

### The Purple Turtles

The collaboration of two distinct natural by-products — faux concrete and banana fibre — is beautifully showcased in this floor light that stands on a tripod support. The weave made from banana fibre lets out soft illumination apt to create a soothing ambience in any space.

₹ 21,923

### Sarthak Sahil Design Co

The Nesting Bird flower pot is handcrafted in Long Pi clay pottery. The rough texture on the bodies is beautifully carved with minimal detailing. The neck and the body are separable, where the body serves as the pot for flowers.

₹ 2,800 (each)

### The Second Wind

A discarded automobile tyre has been used to create the body of this lovely pouffe and table with wooden legs. A vibrant cotton tablecloth has been draped over the top.

₹ 4,500

### Gulmohar Lane

Part of the Threads of Life collection, the Buana is a multi-use basket which is hand-woven from rattan. It comes with a lid and handles on the sides.

₹ 6,500

### WorkshopQ

Upcycled from discarded automobile and machine parts, the Waste Metal Gear armchair with a wooden seat can be a novel addition to your outdoor space.

₹ 1,20,000

### Chumbak

The Prim and Dandy Bench, and the Abstract Ripples Stool is crafted from colourful scraps of old sarees in a blend of cotton and silk.

₹ 2,995 onward

### The Second Wind

This wooden crib has found a new lease on life as a vibrant yellow bookshelf.

₹ 6,000

### Ikea India

Declutter and organise just about anything with the Tjena line of big and small storage boxes, magazine files and desk organisers. They are made from 80 per cent recycled paper.

₹ 169 to ₹ 799

### Gulmohar Lane

The ergonomically designed Oraang Armchair is snug and sturdy. It is constructed from hand-woven rattan and black powder-coated metal.

₹ 27,900

### Wallistry

The Vanna wooden coasters are handcrafted from acacia wood and finished with food-safe beeswax — a natural polish that enhances the quality of wood. The form of the wood is unaltered, making each coaster unique in its shape, finish and grain structure.  
₹ 250 to ₹ 660

### Gulmohar Lane

The Langkawi Seagrass Round Rug combines enticing colours, intriguing textures and beautiful craftsmanship. The loose fibers of the design capture dust and allergens from the air, and their woven structure enables those pollutants to be easily vacuumed away.  
₹ 7,500

### The Purple Turtles

Blending industrial sturdiness with a contemporary clean form, the wooden top of the Marvel Dining Table is bolstered by an adjustable iron stand.  
₹ 53,100

### Merakus

Handcrafted in pure mango wood, the multi-purpose salad bowl and tossers add a touch of bare elegance and natural style to the dining table.  
₹ 2,500

### Sarthak Sahil Design Co

The multi-spout vase can be used to hold flowers or as a candle float. The origin of its form emerges from the distinctive nature of the Long Pi craft, which has been popularly used for making kettles.  
₹ 11,049

### Baro

These versatile shola flowers are handcrafted from the shola pith that grows within the mangrove trees of Bengal. They can be used alongside fresh flowers for bouquets or to adorn brooches and satin ribbons to make flower compositions that will last forever.  
₹ 50 (each)
