A CENTURY OF MAKING ARTISANAL TILES

With a reputation dating back for 100 years, Bharat Floorings & Tiles is considered a leader in custom-made cement floorings. Customers have trusted the brand's superior quality and welcomed the company into their daily lives, creating invaluable memories for generations of office and homeowners.

Our commitment to handmade has created bespoke and unique products that can serve as cherished family heirlooms for years to come. Our cement tiles are made by hand, one at a time, using mineral pigments. After the tile is casted by the artisan, it is cured in water for a period of time, and then air dried before being shipped.
