

# A HOME BY THE SEA

An interesting confluence of diverse design tones, this sea-facing Mumbai home redefines luxury

Vintage and quirky finds create a dramatic impact in the space. The design language moves away from elements that flow, to pieces that make a strong statement. Flea markets and antique trails are the nesting grounds for the unique finds that dot this sea-facing home.

“

Your home is an extension of who you are. When it comes to small spaces, we believe in keeping it simple and creating a story around elements that are personal in nature.
