

GULMOHAR™ LANE

Gulmohar Lane was launched in February 2015, it has come a long way and has carved a unique niche in the hearts of its customers. The designs they create breathe easy and exude strong aesthetics. Believing that your home is your haven, where you dine, work, sleep, dream and live, the brand is sure to inspire those who make a home that reflects their personality and aesthetics.

At Gulmohar Lane, they take great pride in design and hand-craftsmanship of products. Their in-house designers create time honed, aspirational designs and the expert craftsmen; some of them even from the fourth generation of furniture and sofa karigars, who have been working for the Royalty in Rajasthan; transform these designs into timeless products. They design their products to blend contemporary sensibilities with traditions of excellence in craftsmanship and quality.
